

## PLAN YOUR TRIP!

Our extensive collection of member written articles, reviews, and tips help you plan for what's to come.

### Destinations

Members share their unique experiences in interesting places.

### Packing

Be prepared! Read advice about safety, money, health and fashion while on the road.

### Hostel Reviews

Not sure about a hostel? Read the reviews you won't find anywhere else before you book.

## BOOK YOUR TRIP!

Save time and money by booking with Eurotrip. We offer a wide array of services specific to the backpacking community.

### Flights

Combine and book low-cost tickets with the low-cost airlines and save over other travel sites.

### Railsaver

This is a great tool that helps you choose the rail pass that's right for you.

### Hostels

Book all of your beds in one spot with a company you trust.

## COMMUNITY

*With over 17,000 registered users, the Eurotrip Forum is the largest community on the internet for budget minded travelers backpacking Europe.*

*If you have a question about your itinerary, want some tips finding cheap airfares, or would just like to share your stories, register today!*
